£5 ADMINISTRATION
FEE PAYABLE
ONLINE AT THE
TIME OF BOOKING

Arbitration is quicker and
can be less expensive
than litigation. Most
importantly, it is as
enforceable as decisions
made through the courts.

ENGlegal offers arbitration
with written awards which
are binding and legally
enforceable, the same as
court judgements.

ARBITRATION EXPLAINED

Arbitration is like a trial in
civil court, but less formal.

ARBITRATION EXPLAINED

Arbitration is a method of alternative dispute resolution.

Arbitration is private and confidential, unlike court proceedings.

For more detailed information please contact ENGlegal.
